Dear Mr. Weissberg,

I hope you will take the time to read the enclosed article. Your comments would be greatly appreciated. Please answer the following questions. I am very interested in your point of view. Thank you very much.

1. Do you feel a second gunman was involved in the assassination of President Kennedy?

2. If there was a second gunman, was he standing in the grassy knoll area?

3. Did the shots come from the sixth floor of the book depository? Do you think Oswald was framed or that he had a part in the plot?

4. Is there any new evidence since the Warren Report to support your views?
